

# Spruce Hill – Yours and Mine!

The development of Spruce Hill leads to a significant development of the community. With the support and patronage of the community, we will realize our dream of utilizing this beautiful 23-acre property to its fullest extent: - providing an exceptional place to hold personal and group retreats and events at very affordable rates -for schools, churches, companies, couples, youth and families. Various retreats, classes and seminars will be offered catering to the young and adult. A lot of good things will happen in the community and people's lives will be touched and changed. Spruce Hill will mean a lot of different things to those who come and stay. Whatever their personal connection, they will be part of a unique and magical community...

The **10,000 Nights Campaign** is launched to distribute and sell gift cards for night stays to raise revenues for the building of a multi-purpose Youth Hall & Conference Center. Our fundraising campaign goal is ambitious (\$6 Million!), but we can reach it -- one night stay at a time. So now this is the time of year when people of all walks of life all across the country come together to help fulfill and sustain our joint enterprise with a night stay or two. The same way that we build Spruce Hill one night stay at a time, we can keep it healthy and thriving with the gift of a visit at a time. You will feel proud of this new facility, it will be a community creation, built by ordinary people who are giving, sharing, helping, a proof of our collective potential to change the world. This is a great time to tap into your sweet and charitable side and focus on your community and the world. We hope you'll choose this as the time to call Spruce Hill and ask for the gift of a visit to be sent to someone...
